as 7/11/2022 – Ver. 1.3.2

Tools: GameGuardian

## Swipe Item Hack – 56/60 Method

- ❖ Go to armor shop
- ❖ Tap Cloth armor

- ❖ Open GameGuardian and type “56” in Byte and search
- ❖ Tap Leather armor

- ❖ Open GameGuardian and type “60” in Byte and search
- ❖ You will see 2 addresses, with a “60” value number (if there are more than two addresses, then tap the cloth armor and open GameGuardian again, and recheck, if the other addresses show not the “56” value, delete it)
- ❖ Now you can change the byte address according to the table below to access the item to buy:

## Item Byte address

## Cheat +31 Enhancement + Socket 15 (visual, max 4)

- ❖ Use Armor Shop “Byte” hack
- ❖ Choose Weapon/Armor that you want to change
- ❖ In GameGuardian, go to the one of the two addresses (1<sup>st</sup> address and 2<sup>nd</sup> address in the game and in GameGuardian are ordinal)
- ❖ Change the value of the weapon/armor in Dword to **4291034111**. This value will make the item have red color, +31, 15 Sockets, and make it insanely powerful. (The position is fixed in 2 addresses below the item ID highlighted in Yellow.)

## Modify Jewel Stats Cheat

- ❖ Go to armor shop
- ❖ Tap Cloth armor

- ❖ Open GameGuardian and type “56” in Byte and search

- ❖ Tap Leather armor

- ❖ Open GameGuardian and type “60” in Byte and search
- ❖ You will see 2 addresses, with a “60” value number (if there are more than two addresses, then tap the cloth armor and open GameGuardian again, and recheck, if the other addresses show not the “56” value, delete it)
- ❖ Choose Jewels:

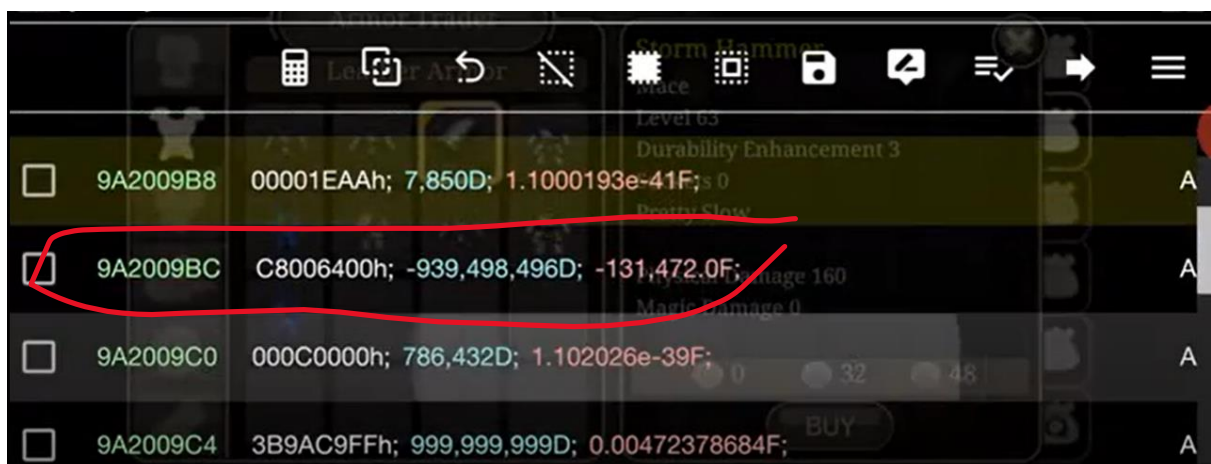

#### Cloth Armor (Byte 56)

Byte	ITEM NAME
7	<ul style="list-style-type: none"> <li>Novice jewel STR 1024</li> <li>Standard jewel STR 1024</li> </ul>
8	<ul style="list-style-type: none"> <li>chaos jewel STR 1024</li> </ul>

#### Leather Armor (Byte 60)

Byte	ITEM NAME
7	<ul style="list-style-type: none"> <li>Advanced Jewel STR 1024</li> <li>Supreme Jewel STR 1024</li> </ul>

- ❖ Now select goto. Below item id (The Highlighted address), select it ,then DWORD. Edit value:

**Modify Item with Blue Stats Carried Over**

This cheat is useful if you want to use the stats of the premium item set to another item that you want to choose, as long as you know the Byte/Dword.

- ❖ Go to armor shop
- ❖ Tap Cloth armor

- ❖ Open GameGuardian and type “56” in Byte and search
- ❖ Tap Leather armor

- ❖ Open GameGuardian and type “60” in Byte and search
- ❖ You will see 2 addresses, with a “60” value number (if there are more than two addresses, then tap the cloth armor and open GameGuardian again, and recheck, if the other addresses show not the “56” value, delete it)
- ❖ Type the item Byte/Dword ID which have blue stats (Suggestion: use Premium set byte/dword ID to buy the item)

### *If you buy the premium set*

- ❖ After buying, close the shop, and open the pack
- ❖ Then Open the shop and open GameGuardian, you should see the changed ID with different value each other
- ❖ Go To the address and change the Item ID (The highlighted yellow) to Dword of the item

- ❖ (optional) Change the value of the weapon/armor in Dword to **4291034111**. This value will make the item have red color, +31, 15 Sockets, and make it insanely powerful. (The position is fixed in 2 addresses below the item ID highlighted in Yellow.)
